What is the Eviction Defense Self Help Project?

- Tenants of private landlords (**not HUD or Section 8 Housing**) who receive an **eviction summons/lawsuit** and who may have defenses, will complete their answer to the lawsuit.
- Pro bono attorneys will assist with the answer and to provide guidance to the Tenant.
- Tenants will be directed where and how to file their answer that same day at the courthouse.
- Tenants may receive guidance regarding the hearing process and how to present evidence in court.
- Tenants needing assistance regarding any **rental conditions/issues** with their home will also be assisted in taking steps to get conditions corrected and will be counseled on when they have a legal right to withhold rent.

Thanks to these supporters and participants in the Eviction Defense Self Help Project:
