Access Security Matrix

(September 2024 v15)

Key to access codes		User Role (Subscribers)																	***VOR Statute List (F.S.): 787, 794, 796, 800, 825, 827, 847, 921.244 VOR is at the case level
A = All but expunged, or sealed under Ch. 943, F.S.																			***Viewable on Request (VOR) - to ensure that information is properly removed prior to public access, some case types and document types have a special electronic security called viewable on request. Selecting an image of a court document in cases or documents coded viewable on request will not allow the user to view the record at that point. Instead, a request is generated to a clerk, who performs a second examination of the document to remove personal identification information and information about the victims of sexual or child abuse crimes. After the clerk has completed, the requestor then receives a notice that the document is available for viewing. Once a document has been requested and reviewed, it is available for all future access without requiring a request/review.
B = All but expunged, or sealed under Ch. 943, F.S., or sealed by court order																			
C = All but expunged, or sealed under Ch. 943 or confidential under Fla. R. Gen. Prac. & Jud. Admin. 2.420, or by court order																			
D = All but expunged, sealed or confidential; record images viewable upon request																			
E = Case number, party names, dockets only																			
F = Case number and party names only																			
G = Case number only																			
H = No access
